

NEW! **Degradable Net**

- ✓ Sod Producers – **NEW Degradable** Sod Wrap™ and Sod Net®[®], now available.
- ✓ No matter the harvester or net setter, we have the degradable net for you.
- ✓ Same performance quality as standard or traditional netting.
- ✓ New **BROWN** color blends with roots/soil and makes Ecocycle™ recognizable from traditional non-degradable nets.
- ✓ BENEFIT - Sod Net rolls are now **LONGER** for fewer roll changes and greater efficiency.
- ✓ After reworking your ground a few times, see the results of less net in the fields, less wear and tear on your equipment.
- ✓ Join the green movement and improve the quality of your turf grass by offering a **VALUE ADDED** degradable netting without having to pay a big premium for the benefit.
- ✓ Netting stored in strategically located warehouses for quick delivery.
- ✓ Be one of the first sod farms in your area to offer sod with Degradable netting.
- ✓ ***If you were the customer, which sod would you buy, yours with the DEGRADABLE NETTING or your competitors with the NON degradable netting?***
