

VACUUM

BV 85

TURF VACUUM

Setting New Standards Worldwide
Turf Industry Leaders in Service and Innovation

IT'S THE ULTIMATE IN QUICK PICK-UP

The BV85 from Brouwer is the largest capacity Turf Vacuum of its type. Both maneuverable and versatile, the BV85 is ideally suited for fast and economical cleanup of large turf areas as well as hard surfaces. The 120" wide pick-up head and powerful suction fan can remove a variety of debris, like thatch from vertical mowing, grass clippings, leaves, twigs, and trash. The hydraulic driven conveyor makes unloading the hopper fast and easy. For more efficient jobs the optional power-brush pick-up head is also available.

Features:

- Easy to operate
- Large load capacity
- Floating pick-up head
- Jackstand
- Corrosion-resistant aluminum sides
- Hydraulic driven unloading conveyor

Accessories:

- 12" diameter vac hose extension, spring balanced
- Pick-up head extension to 120" (3050 mm)

Specifications

Length	257" (6527 mm)
Width	81" (2057 mm)
